

Community Engagement for Waste Management

Stu Finn & Laura Sayers @ Shibogama

Lindsey Jupp @ Matawa

Objectives

- Discuss importance of engagement and awareness
- Community input/perspective from delegates
- Improve project successes
- Brainstorm ideas on ways to raise awareness
- Share what other communities are doing well
- Share tools and resources to take back to your community

List of Resources

- Generic PowerPoint presentation
- Band Council Resolution wording
- Poster for Waste Management Policy
- Sample of maps
- Brochures / handouts from Oct 3 Table Topics
- NOFNEC website

Poll Everywhere

- [Pollev.com/nofnec01](https://pollev.com/nofnec01)
- Verbal responses are welcome too!

Community Presentation on Waste Management

_____ First Nation

October 4, 2017

Rules and Regulations for Waste Management

- Recycling
- Burning garbage
- Littering & Illegal dumping
- Garbage collection schedule
- Landfill hours: _____
- Hazardous waste

What are our community's goals for
managing solid waste?

Create a cleaner community

Garbage reduction

Lower landfill costs

Waste diversion

What is Waste Diversion?

The process of redirecting waste away from the landfill.

The background of the slide is a soft-focus photograph of a forest. Tall evergreen trees are visible in the background, their forms slightly blurred. In the foreground, a calm body of water reflects the trees and the light. A layer of mist or fog hangs over the water, creating a serene and ethereal atmosphere. The overall color palette is muted, with various shades of green, blue, and grey.

Waste Diversion Initiatives

Tires

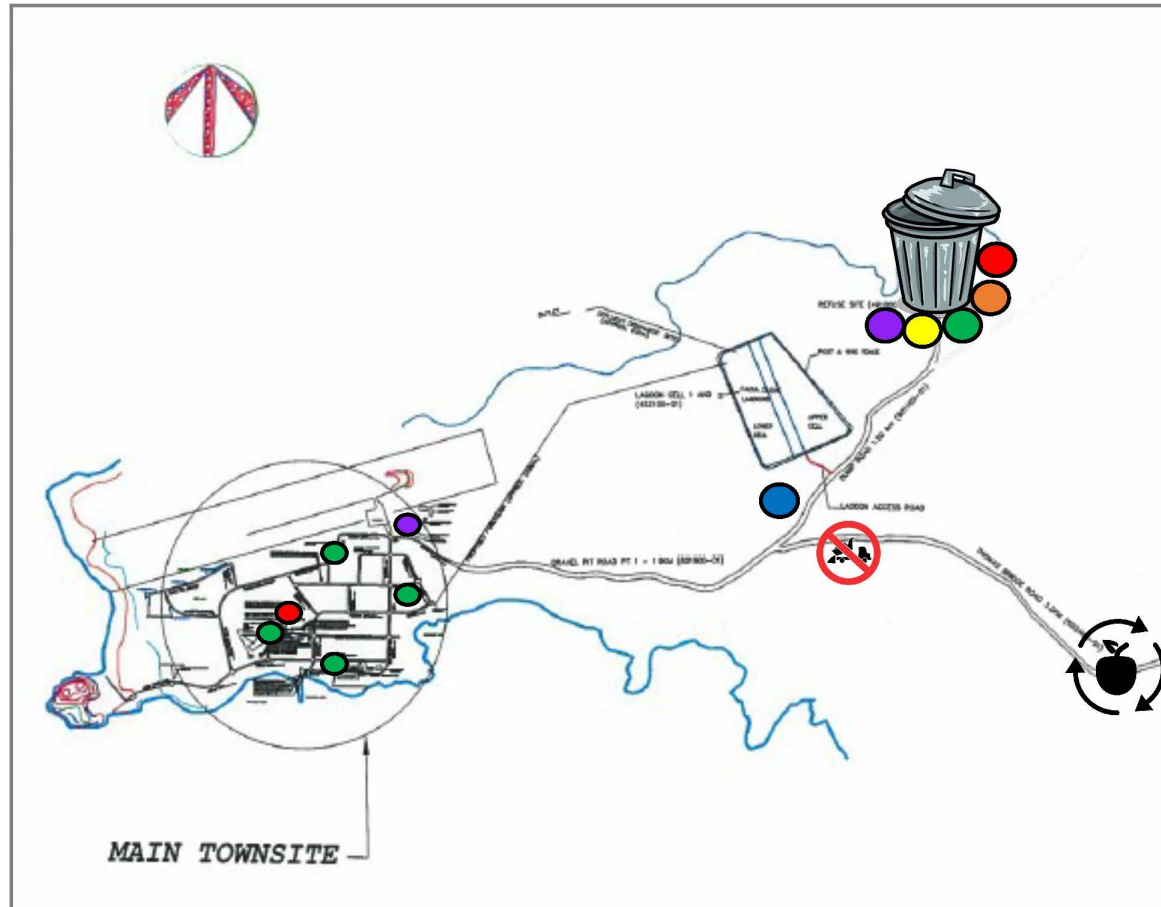

Electronics

Recycling

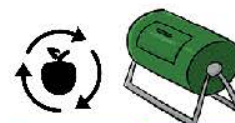

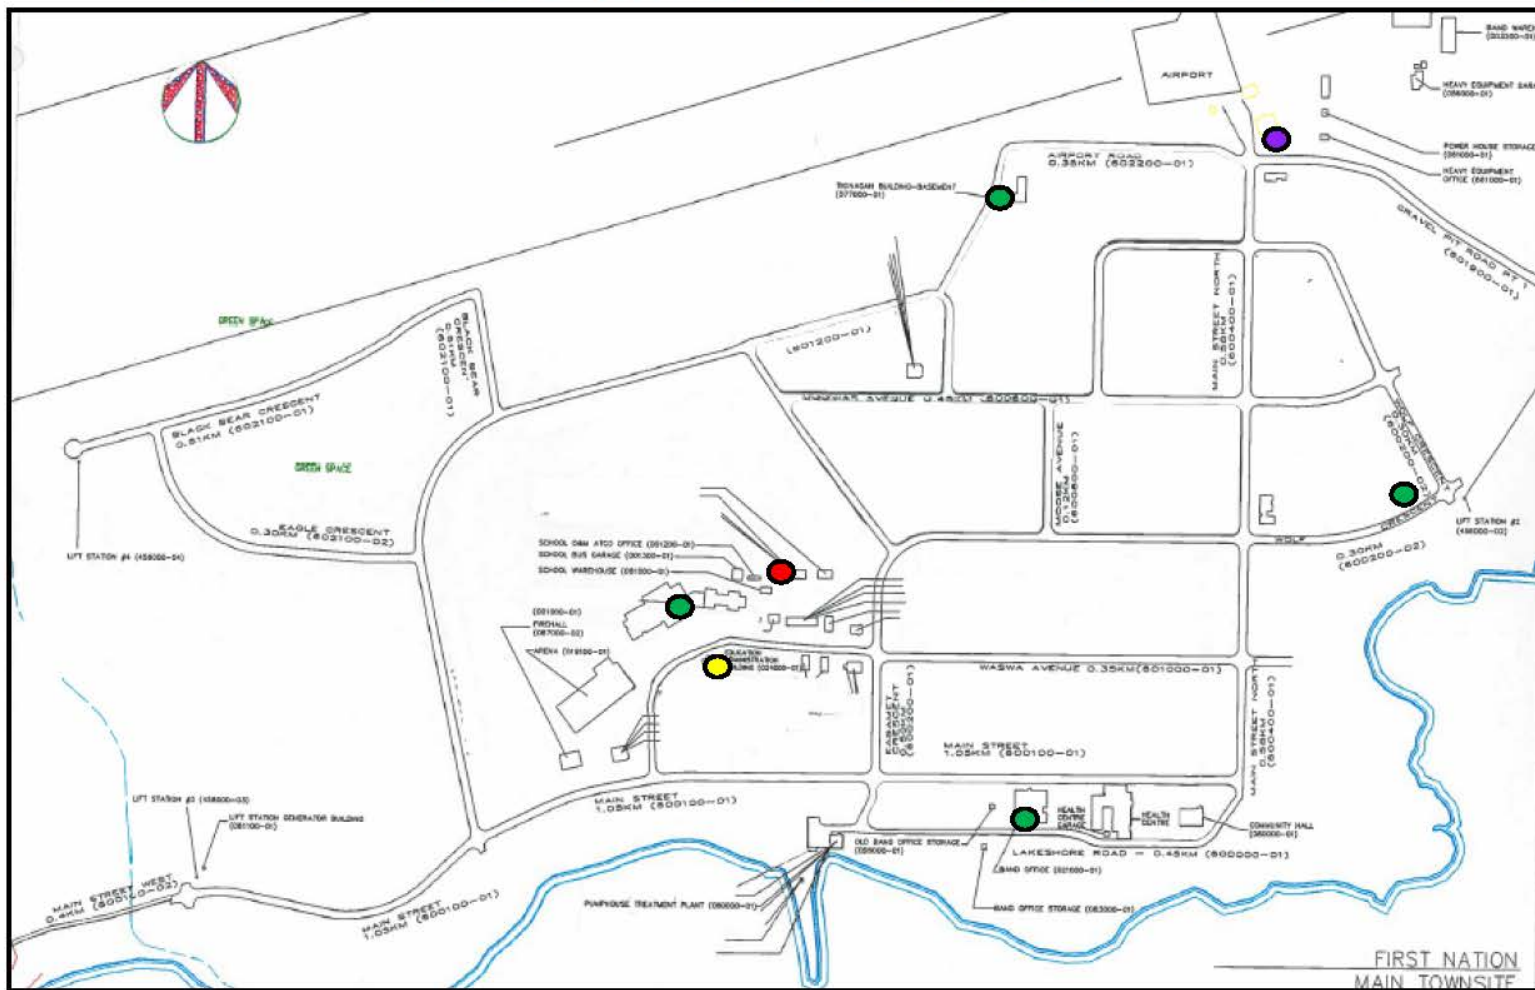

Household Hazardous Waste

Organics (compost)

___YOUR___ FIRST NATION RECYCLING DROP-OFF AREAS

COMPOST AT HOME

Why Divert Waste?

Reduce Environmental risks

Beautify our community

Maximize landfill capacity

Household Hazardous Waste

**What should community members like
you do?**

**Abide by our community's rules and
regulations.**

**Encourage your family and neighbors to
divert waste from the landfill.**

Avoid burning garbage.

**Remove litter and garbage from the
community and the bush.**

Thank you
